

Q: Who's a historical woman that you admire?

A: Beryl Burton, one of the best cyclists of all time, and a pioneering woman in sport. She not only dominated women's cycling, but also beat the men's 12 hour time trial world record, apparently offering the reigning champion a Liquorice Allsort sweet when she overtook him!

Q: What do you love about your job?

A: As a Jersey advocate my role is varied and requires a broad skillset. It is very rare that two days are ever the same. I work in a wonderful and collegiate team. I enjoy mentoring and supporting others, seeing them realise their potential, and learning from them in the process!

Q: What career achievement are you most proud of?

A: I was promoted to partner in 2022, the same year my daughter was born.
